

ProJoba[™]  FULL
INTERNATIONAL
#PJ170 - 30mL

Nourish your hair and hydrate your scalp with ProJoba Full. This unique blend of Flower Pollen Extract, essential oils, plus other hair benefiting nutrients will leave your hair feeling invigorated. ProJoba Full can be used for therapeutic scalp and hair growth support or as an advanced conditioning treatment.

DIRECTIONS FOR USE: Apply twice daily to a dry scalp. Part the hair on the TOP of the head into four sections. Apply one drop to each part and spread down each part with your fingertip. Resume schedule if you miss an application. Avoid wetting the scalp for at least four hours after application.

Extra Conditioning Tip: You can also mix 3-4 drops (approx. 0.2 ml) into Botanical Spa Conditioner (if desired, you can warm up in the microwave for 30 sec) massage into your scalp, leave in for 30 min, and then rinse out. For best results, use 2-3 times a week.

OTHER INGREDIENTS: Ethanol, Water, Lemon Oil, Aloe Vera, Tocopherol, Klucel HF, Zinc Chloride, Tea Tree Oil, Jojoba Oil, Hydrochloric Acid, Zinc Oxide, Progallin P and Biotin.
